A BLOOMSBURY REFERENCE BOOK Created from the Bloomsbury Database of World English

THE STATE OF THE S

First published in the United States of America in 2001 by St. Martin's Press 175 Fifth Avenue New York, NY 10010

This Dictionary includes words on the basis of their usage in the English language today. Some words are identified as being trademarks or service marks, but no attempt has been made to identify all of the words in which proprietary rights might exist. Neither the presence nor absence of any such identification in this Dictionary is to be regarded as affecting in any way, or expressing a judgment on, the validity or legal status of any trademark, service mark, or other proprietary rights anywhere in the world.
